

FSO-HR Report Sept 2022

For the month of September, I spoke with several prospects that either came from the e-Responder, our website or Buddy's PE class. Two of the prospects were both retired Coast Guard and they attended our September Flotilla meeting.

I also had several members come to my home in Lutz for updated ID pictures. Then I scheduled a meeting at our Dunedin classroom for members to meet and have their picture taken.

On September 16th I submitted Help Desk Tickets for the following people to have new ID cards created:

- Jose Ruales
- Norman Robertson
- Karen Meade
- Ryan Roberts
- Rick Washburn
- RoseMary Bloom
- Pakita Diane Leone
- Steve Rea - 2nd time to request since July/never received
- John Landon - 2nd time to request since July/never received
- David Florez - 2nd time to request since July/received

Please note my concern about not receiving three ID cards that were processed back in July. Also, the tickets I opened on Sept 16th have not been opened or processed as of Oct 2nd. With the hurricane down in the southern part of Florida, we will have an even greater delay in receiving new cards.

Thanks

Kristi Mackey, FSO-HR
