

11-10 Flotilla Staff Officer - Member Training Report

Report for Month of October 2022 FSO-MT Harvey Prior

A. Good items

On the water training occurred for trainees and qualified crew preparing for QE requalification sessions

Member training during the October flotilla meeting was on the Waterway Watch program and the need to report

Some online training continues especially by newer members

B. Bad items

End of summer slowdowns seem to have struck some members

C. Other

The mission code for C-130 underway support missions was changed and members now get full time credit for these patrols
