

## FSO-VE Report October 2022

We attended an invite at Waterfront Park in Port Richey to do vessel exams with the New Port Richey flotilla as well. Unfortunately the festivities did not flow over to us for any vessel exams.

We had a VE blitz on 3 Rooker Bar Oct. 16th. Keith Betzing was kind enough to transport Allen Leimbach, Karen Meade, Dave McGee and myself to do the VEs. We did 8 vessel exams while we were there and were able to get the required ones that Dave McGee needed to finally qualify as a vessel examiner. Upon our return to Dunedin Marina, a boater saw us and asked to do her boat as well making our total 9 for the day.

There are no further blitzes scheduled for this year and those who have not completed their required 5 will need to go out on their own and shake the bushes!!

Gordon Thomas, FSO-VE
